Hello Central Families,

We hope you have all had a good start to the new month and are beginning to feel a bit settled in a routine around your child's learning these past several weeks. With the Premier's announcement earlier this week we anticipate some services around the province will begin opening in small steps shortly. We are currently operating in Stage 4 of the Ministry of Education guidelines, which states students are learning remotely and online, with a few students coming into schools for specific purposes. It is likely we may be moving to Stage 3 in a few weeks, where in-class learning will take place on a part time basis. Once we receive the precise Transition Plan from the Ministry of Education and Health and Safety Guideline we will begin to move forward. We will keep you posted. So, for now we continue to embrace your children virtually.

Just a reminder that Friday, May 15 is a Pro-D Day and Monday, May 18 is Victoria Day, so there will be no school in session.

Our next PAC meeting will take place on ZOOM on Tuesday May 19th at 3:00pm. Please go to the link below and use the meeting ID and Password provided if you would like to attend.
