PRINCIPAL'S MESSAGE

The end of the school year is a time to celebrate the accomplishments of our school and its students, as well as acknowledge our dedicated staff. As we celebrate our successes, we also plan for next year continuing to build a positive school culture and community. It is our desire to have every child experience enjoyment, personal satisfaction, and to learn to work effectively with others as they develop into caring contributing members of our community. The decisions made at Central reflect this commitment. Central is a special place with a great sense of pride and community.

We wish all the best to our students who are moving on to different schools, and we hope all of our Central families have a wonderful, safe, and fun summer!

SCHOOL SUPPLIES FOR 2020/2021

School supply kits for grades K-3 and grades 4-5 will be available for purchase at the school in September. We have ordered the supplies and will have them ready when your child arrives in the fall. We believe that this is a more convenient and cost effective option for parents. This program ensures that all students have the correct and necessary school supplies to get them through the year. If supplies were not paid for this past year, your child will be sent home with a school supply list and will not be given school supplies in the fall.

- Gr. K-3 \$30.00 per student
- Gr. 4-5 \$35.00 per student

SCHOOL OPENING ANNOUNCEMENTS

The first day of school for the 2020/2021 school year is Tuesday September 8, 2020. At this time, we are still uncertain as to what the new school year will look like and we are planning for several re-start plan

possibilities based on where we will be at in terms of COVID-19 and provincial health guidelines. Please stay tuned to the news and our district and school website in late August for an update.

Normally this would be the message, but this will only take effect if we know schools will open regularly for the fall.

School will be in session from 8:15 a.m. (first warning bell) to 10:00 a.m. on the first day Sept. 8th. Students will report to specific grade classrooms, and these groupings will be posted outside the front door. Full days for Grades 1 through 5 begin on Wednesday September 9th.

Kindergarten classes will operate with the "Gradual Entry" schedule during the first two weeks. Kindergarten parents will be receiving that information ahead of time via mail, and the information will also be posted on the school website.
