## PRINCIPAL'S MESSAGE

The end of the school year is a time to celebrate the accomplishments of our school and its students, as well as acknowledge our dedicated staff. As we celebrate our successes, we also plan for next year continuing to build a positive school culture and community. It is our desire to have every child experience enjoyment, personal satisfaction, and to learn to work effectively with others as they develop into caring contributing members of our community. We share the district vision of one heart, one mind, working together for common purpose. The decisions made at Central reflect this commitment. Central is a special place with a great sense of pride and community. We appreciate all of you as you worked with us through this pandemic year with patience and understanding.

We wish all the best to our students who are moving on to different schools, and we hope all of our Central families have a wonderful, safe, and fun summer!

## SCHOOL SUPPLIES FOR 2021/2022

School supply kits for grades K-3 and grades 4-5 will be available for purchase at the school in September. We have ordered the supplies and will have them ready when your child arrives in the fall. We believe that this is a more convenient and cost effective option for parents. This program ensures that all students have the correct and necessary school supplies to get them through the year. If supplies were not paid for this past year, your child will not receive school supplies in the fall until outstanding fees owing are paid. Please see the office if there is a problem with paying.

Gr. K-3 \$30.00 per student  
Gr. 4-5 \$35.00 per student

## THANK YOU

Thank you to Recyclers Bikes for Kids who donated several bikes to Central now again in June. These bikes were given away to some of our students so they can enjoy the summer on two wheels! We are grateful for the kind donation. Bikes make summer special!
