Seamless Day is up and running, there are still spaces available.

There is a new coordinator for the Community School.

October 5th is World Teacher Day. This is also Activity Day for the school.

Book Fair starting October 31st.

New student teachers are starting, 2 from SFU and 2 from UFV. Also have a practicum teacher in the school.

The School District is hiring non-certified teachers as Teacher On Call. There is a BC wide problem of having staff shortages. There are minimum requirements, and restrictions. It is not an official position. They are hiring additional noon hour supervisors as well.
