

Are you interested in before and after school care for your child at Central Elementary Community School?

Starting December 1st, Child Care for **Kindergarten** families will be reduced to only **\$205 a month**. That's \$10 a day child care!

Our Child Care Center participates in the Child Care Fee Reduction Initiative and as a result, Kindergarten families will notice a large fee reduction in Child Care fees to help make before and after school care more affordable and accessible for families with young children.

Not only is it convenient for parents to have school and care in one location, Early Childhood Educators and our Primary teachers have a shared philosophy of learning, using B.C.'s Early Learning Framework as their guide. Seamless Day is good for kids, for families and for the schools.
