Summer 2024

School Updates

kwétslólé – see you later

We know summer break brings a reset for all to spend time with loved ones. We wish our grade 5 students all the best as they transition to a new place in September. To our families leaving us, we are grateful to have been a part of your child's education journey. We will miss you. To the rest, we look forward to reuniting again in September!

Staff Updates: We have some goodbyes, see you soon and welcomes:

Ms. Campbell - Teacher who will be on Maternity Leave.

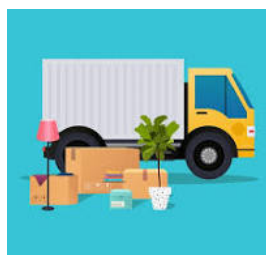

Ms. Zoe - Supervision Assistant leaves to complete her teacher education.

Ms. Manpreet - Supervision Assistant leaves to work as an EA in the School District.

September Start Up: Students will be returning to their previous class for the first day. We will get to connect and share our summer stories. The rest of the first week, we will be completing various activities in GRADE LEVEL groups. Students will line up at their grade level door. This allows us to work with all our students, have them meet our teachers and make the best possible placements for the remainder of the year. Classes will be set on the MONDAY following the first week back. We will post class lists that day. We will share more information the last week of August so you and your child know what to expect!

Kindergarten Families: You should be expecting an email from us regarding the gradual entry schedule the first week of July to help with planning ahead. We will send reminders again in August when our office re-opens.

Moving Away: We are always sad to have any of our families leave. If your family will be moving or moves over the summer, **PLEASE EMAIL central@sd33.bc.ca to notify us** and let us know where so we can help with the transition.

PAC Update: The PAC Executive would like to thank all of the families for their support this year! We raised a over \$3000 with 7 hot lunches, Easter Purdy's Sale, Christmas Art Cards, Neufelds Orders, and multiple Freezie Sales! Along with the gaming grant we apply for, we use that money to support students; funding bussing to field trips, guest speakers, subsidizing Grade 5 hoodies, Grade 5 trip to Cultus Lake, refreshing of PE equipment, Pop-Up Tent for special events, sponsored field trips and inline skating.

We would also like to thank those that came out and helped out at lunches and sales. Join us at our PAC meeting in September to hear what we will be supported next!
